REGISTRATION OPEN TO GRADUATES OF GLENDALE UNIVERSITY FOR UPCOMING WATER CLASS

GLENDALE, Ariz. – Have you ever wanted to see a water treatment plant in action? Then a tour of the Oasis Water Treatment Plant may be for you. Glendale residents, who have previously graduated from the 101 class of Glendale University, are encouraged to register for this continuing education opportunity.

The tour is scheduled for Thursday, March 27 from 1 to 3 p.m. Once students have registered and been enrolled in the class, they will be given the address to the Oasis Water Treatment Plant.

Students will learn:

- all the steps of the water treatment process;
- the chemistry and physics of water treatment;
- the lab work and quality assurance and quality controls for water quality.

Registration for this graduate class is due no later than March 21. To register, visit: www.glendaleaz.com/communitypartnerships and click on Glendale University classes to print out an application or call 623-930-2868 to receive an application by mail or fax. Registration is mandatory and will be limited to the first twenty-five Glendale University 101 Graduate students who apply. Join us for a first-hand look at this state-of-the-art surface water treatment plant.
